Editors Remarks'

Compiling a yearbook is a tremendous challenge, one that would not be accomplished without the work of a dedicated staff. This year we had a staff that was composed almost entirely of Seniors. This created an even greater challenge for us not to gear the yearbook toward the Seniors. The work of setting up the yearbook was much easier this year due to the fact that we had some members who had yearbook experience. Hopefully this yearbook will be appreciated for a job that was this year well done.

And in the future we hope that the sponsor and his other staff members will continue to keep up the school name in compiling the best yearbook ever. We truly appreciate the support of each and every member of the faculty and the students. And we hope that the year 87-88 will continue to do the same and we wish

you much happiness and success.

Willie Lewis Todd, Jr.

Lewis,

We all need words to live by, inspire us and guide us, Words to give us courage when the trials of life betide us.

And the words that never fail us are the words of God above.

Words of comfort and of courage, filled with wisdom and with love. We gave you all we had to offer, which may not have been the very best but we gave you the best that we had. We've always tried to do our part and God did the rest. We may not have often told you so, but every single year means still more to both of us to have a son so dear.

For you're the kind of son who from one day to another, just makes us even happier to be your Dad and Mother.

CONGRATULATIONS ON GRADUATION

REMEMBER: You have only just begun. Always follow your dreams.

Hope for the best, and prepare for the worst; For the object is not to see through one another, but to see one another through.

WITH ALL OUR LOVE,

MOM, DAD, TRICE AND TRAVIS.

GODS MINUTE

I have only just a minute
Only sixty seconds in it
Forced upon me can not refuse it
Didn't seek it, didn't choose it
But it is up to me to use it
I must suffer if I lose it
Give account if I abuse it
Just one tiny little minute
BUT Eternity is in it.

**TO: CEDAR GROVE HIGH

I would like to wish each and every member of our class all of the finer things that life has to offer. Always accept your limitations, then go beyond them. Good luck in what ever you all set our to do.

"A SILENT MAN in ACTION"

Coach Dill has been at Cedar Grove High School for 12 years now. He is an English and Physical Education teacher, but is probably better known as the Varsity Boys Basketball Coach. Basketball is the sport he loves the most.

wishes that he could relax and let people get closer to him. Looking back over his years at Cedar Grove, Coach Dill has seen great changes. Student discipline has improved and the school is developing a reputation for having a very capa-

ble and hardworking faculty. He feels that the student body still has a long way to go, needing to develop a sense of school spirit, loyalty, and unity.

For 10 years Coach Dill coached the Cedar Grove B-team, but was promoted to the Varsity position last year. The hard work of both the coach and players earned them a position as the 9th ranked team in the state and the Dekalb County Coach of the Year honors for Coach Dill.

Coach Dill is a "silent man of action". He prides himself on his ability to be self organized and

THE 1986-1987 CRUSADER STAFF WOULD LIKE TO DEDICATE OUR YEARBOOK TO COACH DILL, IN RECOGNITION FOR YEARS OF HARD WORK, BOTH IN THE CLASSROOM AND ON THE BASKETBALL COURT. COACH DILL WE SALUTE YOU AND BEST WISHES IN THE YEARS TO COME!!

And the one person that I don't admire the most is Melissa Thompson. The 5 faces that I could never give you, the one man that I could never share with you even though you did want him badly. Get your own man and leave others alone. And to the phoney hellos you say keep them because in long run they may help you. One more thing please retire the all-stars, they are falling apart. To the love of my 12th grade life Linda Chivers keep my love and caring we have. To the entire school of CGHS cherish the 5 years and as the world turns remember me young but not restless, as another world goes by may we be searching for tomorrow. Remember me and all my friends always and forever.

SAINTS PLACE IN STATE

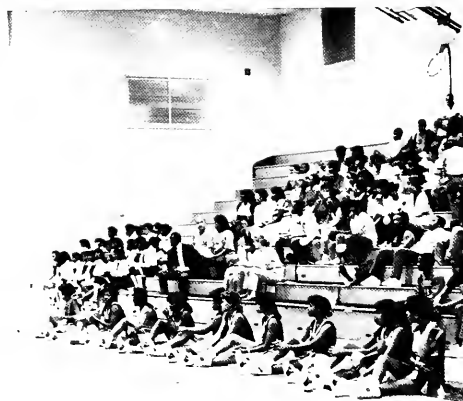

The Cedar Grove Saints Cross Country team had a spectacular season that ended with a bang. The Saints had their second winning season with a record of 11-1, defeating larger schools like, Clarkson, Gordon, Druid Hills, and Stone Mountain. The Saints placed third, following Lovett and Shiloh. The Saints team was led by Senior Fred Morgan followed by Junior Edmond McClendon, Junior Gary Pennyman, Senior Scott Moore, Sophomore James Blake, Sophomore Kevan Owensby and Senior Roy Ingram. Other contributors to the team that did not compete in the state were Wilfred Williams, and Harrett Moore. We also had a 8th grade team for the very first time. The Saints Cross Country team has come along way, the last two seasons. They had to face alot of criticism along the way. The Saints broke records that many people may never reach. This team, "The Saints Cross Country Team", coached by John Doucet and his wife Kelly Doucet, felt and realized that they could finally, beat all of the competition in 5AA and other schools. They believed that since "They placed in the State two years in a row, that their their teams and coaches know that they mean business". They have finally earned the respect that our school deserves.

Saints Fall Short

The Saints started off the 1986-1987 season with high hopes and visions of a repeat trip to the State Tournament. Those dreams soon fell to ashes as the Saints dropped 4 of their first 5 games. This was a season when the pieces just wouldn't quite come together. Last season on their way to a state ranking the Saints seemed to always win the close one. this year lady luck took the other side. Of the 13 Saints loses 8 were by less than 10 points. The 1986-1987 Saints were Anthony Coleman, Lennox Defritas, Russell Dupree, John Golden, Walter Lewis, Randy Lippitt, Lenard Martin, Edmund McClendon, Harrison Mosley, Al Rucker, Kelvin Wade, and Coach James Dill.

Miss Senior Phyllis Jones

Phyllis Jones feels like she was chosen Miss Senior because she was a very hard worker and was able to challenge any obstacle that confronted her. She is highly involved in cheerleading, track, Student Council (Vice-president), Spanish Club, FBIA Club, Jr. Civitan Club, Impact, and Kappa Alpha Psi.

Phyllis also states that achieving Miss Senior was the greatest honor she has received because she was chosen by the faculty. Phyllis feels extremely honored and she feels that her dedication and service to the student body was the main reason she received this award.

Mr. Senior Douglas Rednour

Douglas Rednour feels he was chosen Mr. Senior because he is a hard worker. He says instead of being a vegetable, he really makes the attempt to really understand the teachers' lessons. He always tries to understand what the teacher is teaching. If not, Doug will ask questions to reassure himself of what is going on in the class. He also thinks the reason he received this prestigious award was because he strives for nothing but the best and nothing less. Doug has an awesome personality that also helped him achieve this award. Doug says, "Thanks to everyone, family, and friends, for such a great learning experience these twelve years; and teachers, your checks are in the mail!"

TOP TEN PERCENT

The top ten percent of the Sophomore Class have shown themselves to be outstanding among their fellow classmates. This year they set very high goals for themselves and strived very hard in accomplishing those goals. These are the few who made it. They forced themselves to achieve, and believed in themselves when others did not. We commend the Sophomore top ten percent for a job well done and we would like to say to each one of them, "Continue to set goals for yourselves and continue to strive to be the best. Above all continue to believe in yourself; for those before you have guided you in wisdom and in knowledge and so shall you guide those that are behind you."

The top ten percent are Kijuna Bridges, Marcus Byrd, Erica Ellington, Alanna Hicks, Anjulia Mathews, Chris Rednour, Valerie Turner, Tokie Williams, Wilfred Williams. Not pictured are Patrinn Beard, Chiquita Bush, Adrienne Birdsong, Marion Davis, Michele Ferguson, Shannon Lee, Latony Plas, Keesa Robinson, Arlethia Thomas, Yolanda Weatherspoon, Angela Wheeler.

One Down, Three To Go

The Freshman Class has now taken their first steps in learning, growing, and reaching their goals. They are now headed for a most vigorous life, but yet they continue to strive for the best. There is still much to learn and much to enjoy. As each year comes and goes, a little fear also goes, but much excitement comes and thus their lives are much more established. Being successful is what it is all about, and being the Freshman Class of '90 is also what it's all about.

We therefore wish the Class of '90 much success!

HOMECOMING '86

Demetricka Rowe
Homecoming Queen

On October 1, 1986, Cedar Grove High School's most extravagant event, Homecoming, was held.

This year preceeding the homecoming was a parade, the first in four years. Not long after this the spirits of Cedar Grove's fans lifted when halftime's highlights began. This year the student body selected as Second runner-up Miss Chuandra Mack, who was escorted by Ronald Kellam; and first runner-up Miss Patrice Brown, escorted by Deon Kelly. Finally Miss Demetricka Rowe was named Miss Homecoming Queen 1986. She was escorted by Lenard Martin. Demetricka has been a cheerleader for 5 years, was an outstanding Senior, and is a member of the French club.

Homecoming 1986 will always be a night to remember!

CORONATION '87

This was the third year that a coronation was held at Cedar Grove. Though it wasn't exactly a formal program, Cedar Grove, with the help of the student council, members of the faculty, and other student body members, made this assembly the best that it could be. Our school took time to really appreciate and recognize the 1986-1987 Homecoming court. These girls really deserved their school's support and recognition. Not only was the Homecoming court acknowledged but so was Mr. Cedar Grove. This was certainly a day most memorable to all!

MR. CEDAR GROVE

This year Scott Moore was selected as Mr. Cedar Grove. His participation in the following earned him much recognition. He was one of the top 5% in his class. He was an outstanding performer during high school in cross country, wrestling and baseball. Scott has been well appreciated by the faculty and his peers and we would like to congratulate him and wish him the best in his post high school life.

Scott,

You have made a tremendous change in my life. We have shared so many special and fun-filled times that I will treasure forever. You have been there through the good and the bad times. You have always been there to hold my hand and a shoulder to cry on. I feel that our relationship has a special bond that holds us together. Hopefully it will preserve in the future. I wish you much success and all the finer things that life has to offer. Always hope for the best, and prepare for the worst and remember: I SHALL ALWAYS LOVE YOU.

TIFFANY MICHELLE DEMPSEY

You are a wonderful daughter and a very special young lady. You have brought much joy to us and those who love you. We wish you much success in all your endeavors. May God bless you and guide your life.

WE LOVE YOU
MOM, DAD, SCOTT

Tiffany,

The times we have spent together during high school have really been great. Now that it is the time for us to go to separate schools and explore new worlds in college life and the so-called "real-world", I wish you good luck in the future and in whatever you attempt. I also hope that I may be there to share it with you.

LOVE ALWAYS,
Scott

Congratulations on becoming MR. CEDAR GROVE and for all of your other accomplishments during your high-school years.

May God continue to bless you and keep you in his care.

"DON'T QUIT"

When things go wrong as they
sometimes will
When the road you're traveling
seems uphill
When the funds are low and the
debts are high
And you want to smile, but you
have to sigh
When care is pressing you down
a bit
Rest if you must, but don't quit
Life is queer with its twists and
turns
As everyone of us sometimes
learns
And many a person turns about
When they might have won if
they had stuck it out
Don't give up though the race
seems slow
You may succeed with another blow

Often the struggler has given up
When he might have captured the victor's cup
And he learned too late, when the
night slipped down
How close he was to the golden crown
Success is failure turned inside
out
The silver tint of clouds of doubt
And you never can tell how close you are
It may be near when it seems afar
So stick to the fight when you're
hardest hit
It's when things seem worst that
you mustn't quit

A LOOK BACKWARD

Well, your looking back at the old yearbook again are you. How long has it been now. Can you still remember the feelings of being young, the brand new loves, the faces, the friends. Do you remember 1987?

The world in 1987 was a turbulent place. The Challenger explosion left the US falling behind in the space race, is there a race anymore? Racism raised its ugly head in Forsyth county and around the nation. Have you cured the world of this yet. America continues to spend more money than she has. President Reagan beat himself by selling weapons to Iran. Does Iran still exist? The farmers of America go broke with each passing day, do you buy imported food now? The Japanese, Koreans, Yugoslavians, and everyone else are sending us
